### Preparation Notes for Portfolio Submission in Theatre (for all applicants)

#### International Baccalaureate Diploma Programme (IBDP)

#### DSA-JC and Non-DSA Year 5 Applicants

Pupils specialising in Theatre will embark on a learning journey that includes aspects of performing, directing, playwriting, critique, stage management and production design.

Pupils will gain a creative appreciation and respect for a wide range of theatre traditions, dramatic styles, forms, processes, practices, conventions, and values through practical experience and develop their creative voice and vocabulary. They will discover the value of theatre in a range of social and cultural contexts and develop skills and values for theatre-making and lifelong learning.

SOTA's IB Diploma qualification is recognised by top universities worldwide. Armed with their IB Diploma and extensive arts portfolio, SOTA pupils can look forward to the arts as a career or leverage their arts-enriched educational experience to embark on diverse career options such as journalism, law, architecture and more.

To apply, you are expected to have some significant theatre experience. In addition to training or production experience, we are also looking for passion, drive and advanced theatrical skill in acting, theatre-making and possibly other aspects of theatre i.e., playwriting or design.

You should consider applying if you are imaginative, enthusiastic, expressive, open-minded and flexible thinkers. You should also be a good team-player and a quick learner, with a willingness to embrace the full range of the theatre experiences from back-stage roles to acting, script-writing and design.
