(A.2) Important Milestones for Dance Applicants

Dance

TALENT ACADEMY 2023

(B) Preparation Notes for Portfolio Submission via the TA Portal for All Applicants

SOTA offers a holistic dance education through a mind-body approach. Ballet and Contemporary Dance form the basis of our physical training, and dance genres such as Chinese Dance, Malay Dance, and Indian Dance are introduced in Dance Contextual Studies and Dance Analysis. Composition and improvisation modules also allow students to hone and develop their creative voice.

Formal training in dance is not a pre-requisite when applying for the SOTA Dance programme. Open-mindedness, an enjoyment of movement, and an interest in learning about and through dance is preferred.
